There are 5 Anchalmen in the Cranganur Anchal Office and the washing allowance to be paid to them for 11 months will come to Rs. 27—8—0. Mr. K. Balakrishna Menon (*Minister for Food and Education*): I move for an additional allotment of Rs. 4,000/-under "5-C-Village Panchayats—Irrigation—Other Works". The reasons are stated in the note. I pray that the amount may be senctioned.

മിസ്റ്റർ പി. ടി. ജേക്കബ്ബ്: അവിടെ ഏതു sluices നന്നാക്കാനാണു് ഈ ർ,ഠ ഠ ഠ രൂപ ആവശ്യപ്പെട്ടിരിക്കുന്നതു എന്നു പറഞ്ഞാൽ തരക്കേടില്ല.

മിസ്റ്റർ കെ. ബാലകൃഷ്ണമേനോൻ: എല്ലാം റിപ്പയർ ചെയ്യേണ്ട ആവശ്യത്തിനു വേണ്ടിയാണു്.

The Kumbalanghy Panchayat has represented the immediate necessity of reconstructing the existing sluices fitted up in the local bunds with a view to prevent the ingress of salt water in order to facilitate the paddy cultivation there.

മിസ്റ്റർ പി. ടി. ജേക്കബ്ബ്: അവിടത്തെ കൃഷിസ്ഥലങ്ങളെ സംരക്ഷിക്കുവാൻ രണ്ടു sluices ആണു് ആവശ്യം. അതു മരംകൊണ്ടുണ്ടാക്കാനാണു പരിശ്രമിക്കുന്നതു എങ്കിൽ അതിനെസംബന്ധിച്ചു ഇപ്പോഴും കിട്ടിക്കൊണ്ടിരിക്കുന്ന ആക്ഷേപങ്ങൾ ഇനിയുമുണ്ടാകും. അതുകൊണ്ടു് അതു കോൺക്രീറുകൊണ്ടു ഉണ്ടാക്കാൻ ഗവണ്മെണ്ടു ആലോചിക്കുന്നില്ലെങ്കിൽ ഈ പണം അവിടെ ചിലവുചെയ്യേണ്ട ആവശ്യമില്ല. അതിനാൽ ഏതുപ്രകാരത്തിലാണു ഈ പണം അവിടെ ചിലവു ചെയ്യാൻ പോകുന്നതു എന്നുള്ളതു വ്യക്തമായി പറയുകയാണെങ്കിൽ അതു വളരെ ഉപയോഗപ്രദമായിരിക്കും.

മിസ്റ്റർ കെ. ബാലകൃഷ്ണമേനോൻ: അവിടെ sluices കോൺക്രീറുകൊണ്ടുണ്ടാക്കണമെന്നാണു പറയുന്നതു എങ്കിൽ അതിനെക്കുറിച്ചാലോചിക്കാം. I will look into your suggestions.

group in the Maharaja's College the following non-recurring allotments are necessary for the Botany Department.

1.	Science Materials	Rs. 4,000
2.	Library	500
3.	Botany Excursions	600

Of the above items No. (1) is proposed to be distributed over a period of 2 years so only Rs. 2,000 will be required in 1123. Item No. 2 Rs. 500 has already been made available from the allotment sanctioned under "library" for the—Maharaja's College for 1123. So, altogether an amount of Rs. 2,600 is required additionally in 1123 for the Botany Department viz. Rs. 2,000 for science materials and Rs. 600 for Botany excursions. Rs. 2000 is for capital expenditure on Science materials. This amount of Rs. 2,000 could not be included in the budget as the proposal came up too late. An additional allotment of Rs. 2,600 is therefore required under the above head. I pray this amount may be sanctioned.

(25) "30-2—Printing-Machinery"

Rao Sahib C. J. Mathew(*Chief Secretary to Government*): I rise to move for an additional allotment of Rs. 34,000 under "30-2-Printing-Machinery" A provision of Rs. 26,500 was made in the current year's budget for the purchase of machines in the Press. But the cost of machines has gone very high since the war broke out. The actual cost of an American Vertical Miehle Machine Model V. 50 recently purchased from Messrs. Vinayagam & Co. Ltd., Madras, has come up to Rs. 30,300. But the budget make only a provision of Rs. 26,500 for the current year. As such an additional provision of Rs. 3,800 is now required for this item of expenditure.

Now Messrs. John Dickinson & Co. Ltd., Madras has informed that another American Vertical Miehle Machine Model V. 50 is now available with them. The work in the Press has considerably increased since the war broke out and the Press is highly in need of more printing machinery and equipments. It was not possible to purchase even a single machine since the war broke out, though provision was repeatedly made in the budget during the past years. Machines cannot be readily had under the present conditions as and when we want them. It is therefore essential that we do not miss this opportunity. Accordingly an order has been placed with Messrs. John Dickinson & Co. Ltd., Madras for the supply of the above machine which is in the act of shipment. The cost of this machine will come to Rs. 30,300. There is no provision in the Press budget to meet the proposed expenditure. An additional provision of Rs. 30,300 is therefore required to meet the expenditure. A total additional provision of Rs. 34,100 may therefore be sanctioned under the above head for this year.

Mr. P. Govinda Menon (*Ernakulam*): In the note to the Standing Finance Committee you say that a provision of Rs. 26,500 was made in the current year's budget for the purchase of machines for the Press. But the cost of machine has gone up very high since the war broke out. Which is the war that broke out since the budget was framed.

Rao Sahib C. J. Mathew (*Chief Secretary to Government*): No war broke out, but due to war conditions the cost became very high.

Mr. P. Govinda Menon (*Ernakulam*): Then why not prepare the note accordingly? We thought some other war broke out.

(26) "30-2-Printing"

Rao Sahib C. J. Mathew(*Chef Secretary to Government*):I rise to move for an additional allotment of Rs. 13,435 under "30-2-Printing". Some portions of the Electoral Rolls will have to be printed in the Cochin Government Press. With the existing staff, equipment and space, it is not possible to take up the printing of any portion of the Electoral Rolls in the Government Press. There is a lot of re-printing and other urgent items of work to be undertaken in the Press. But if the Government Press is equipped for this purpose they will also be in a position to finish any work which the private presses
